Dear Balaka Srikrishna Shajal,

We are pleased to inform you that you have been selected for the Machine Learning Internship Program at Prodigy InfoTech! Congratulations on this exciting achievement!

As a Machine Learning intern, you will have the opportunity to gain hands-on experience and develop valuable skills that will prepare you for your future career. Our program is designed to challenge you, support your growth, and provide you with a meaningful and rewarding experience.

Enclosed with this email, you will find your Offer Letter. We kindly request that you consult the [Task Lists Document](#) to fully understand your assigned roles and responsibilities during the course of your internship.

During your internship at Prodigy InfoTech, please keep in mind the following points:

It is mandatory that you update your LinkedIn profile and share your Offer Letter on LinkedIn.

Following the completion of each task, it is mandatory that you create a post on LinkedIn outlining the tasks you have completed and the knowledge gained. You may choose to include a video in your post, but it is optional.

It is compulsory that you tag [Prodigy InfoTech](#) and use the hashtag #ProdigyInfoTech in all posts related to your internship as part of our social media policy.

For submission of your completed tasks, a Task Submission Form will be sent to you by a separate email between 11 - 14 July, 2024. You don't need to email your tasks to us.

The internship program is unpaid, and no monetary compensation will be provided. The program offers certificates & LoR upon successful completion of assigned tasks and meeting the program requirements.

It is important to be punctual and meet all deadlines provided for the tasks and projects.
